

PRODUCT DATA SHEET

A4

SPENDOR

MADE FOR MUSIC. DESIGNED FOR YOU.

The Spendor A4 is a slim, modern, compact 2-way floorstanding loudspeaker which fits easily and unobtrusively into any living space. It delivers music with striking clarity and a sensitively judged element of fun and charm. Music remains tuneful and articulate even when the A4 is positioned close to a wall or in a small room. The A4 is easy to drive and it brings out the best from your amplifier.

HIGHLIGHTS

- The award winning A4 builds on the strengths of the A2 and adds bass weight and scale to the performance whilst remaining slender in form.
- With four elegant and contemporary finishes to choose from, combined with discreet and understated looks, the A4 blends seamlessly into many different styles of room décor.
- The proprietary 18cm Spendor EP77 polymer cone bass/mid drive unit mounted in a slim chassis, helps the A4 deliver a room filling sound with projection, character and sheer entertainment far beyond its size.
- Designed and Manufactured in the UK.
