

PRODUCT DATA SHEET

A7

SPENDOR

MADE FOR MUSIC. DESIGNED FOR YOU.

The Spendor A7 is a major revision of the highly acclaimed Spendor A6R floorstanding loudspeaker. The result is a dramatic uplift in dynamics, resolution and low frequency articulation. The slim modern linear-form cabinet is styled and dimensioned to fit easily and unobtrusively into any living space. The A7 delivers music with striking clarity, excellent bass extension and a sensitively judged element of fun and charm. The A7 is easy to drive and it brings out the best from your amplifier.

HIGHLIGHTS

- The multi-award winning A7 is designed to blend effortlessly into any living space. 4th generation Spendor linear flow port technology ensures the music remains tuneful and articulate even when the A7's are positioned close to a wall or used in a small room.
- With four stylish modern finishes to choose from, the A7 blends seamlessly into many different styles of room décor and are compact enough to fit in most homes
- The proprietary 18cm Spendor EP77 polymer cone bass/mid drive unit helps the A7 deliver a room filling sound with pure vocals, musical insight, precision and dynamic expression.
- Designed and Manufactured in the UK
